Winter Wonderland Recap

2025 Membership Info

2024 was another successful year, with so many opportunities to meet new neighbors, and so much fun for all the children of the EDPE! We have a busy schedule planned for 2025 (see below), and can't wait to continue to serve this amazing community. But, we can't do it without the help of amazing neighbors and volunteers—AND WE NEED YOUR HELP! It is time for a new board to come work together with the sitting board to establish continuity in service and, most importantly, FUN! More details on bottom right of this page.

USHERING IN A NEW BOARD—BE A PART OF IT!

Your current EDPE board has fulfilled their two year term, and it is time to bring in some new faces and ideas! But don't worry, you won't be alone, as the current board members are committed to sticking around for at least 2025 to help with the transition. The commitment is ~1-3 hours per month, with some extra time during events. This is a great opportunity to learn new skills, work with a team, and have lots of FUN—seriously, we have a lot of fun!

If interested in any of the below positions, please email eldoestatesassociation@gmail.com with your name and the position(s) you would be interested in. Thank you in advance—we can't wait to partner with you!

Positions: (1) President; (2) Vice President; (3) Secretary; (4) Treasurer; (5) Membership Chair; (6) Emergency Preparedness Officer; (7) Events Officer; and (8) Government Relations Officer

Thank you, volunteers, for making our first annual **Winter Wonderland** a success! EDPE neighbors make a difference in our community by getting involved. Join a committee or attend a board meeting to learn more. With more volunteers, events become easier to execute with minimal commitment. Email eldoestatesassociation@gmail.com to learn more!
